Cabrillo Economic Development Corporation’s (CEDC) mission is to provide comprehensive housing services and community economic development activities, through a community-building approach, that facilitates self-sufficiency for individuals and families who are most lacking in opportunity in Ventura and Santa Barbara Counties, and adjacent areas of Los Angeles County.

Incorporated in 1981, Cabrillo’s early roots were in response to a farm worker community’s demand for secure housing. Although this continues to be important, today there is a more widespread need for affordable housing in this region. As such, Cabrillo now provides housing for low-to moderate-income residents and families, including farm workers, seniors, veterans and individuals with disabilities.

CEDC’s philosophy is that residents, especially those with special needs, thrive in independent living situations when a comprehensive and coordinated service safety net exists.
